## **Junior League Thrift Shop Naming and Annual Holiday Boutique & Toy Fair**

On Thursday, December 3<sup>rd</sup>, The Junior League of Summit (JLS) will officially rename its 75 year old Thrift Shop with a ribbon cutting ceremony. The ceremony will begin at 9am at the Shop located at 37 DeForest Avenue in Summit. Local dignitaries as well as past Presidents of the JLS will be in attendance to celebrate Summit's oldest retail establishment. The Annual Holiday Boutique and Toy Fair will follow from 9:30am to 8pm.

The Holiday Boutique and Toy Fair will feature a wide selection of gifts for children and adults, including new toys, clothing, decorative items and household goods. According to Samantha Ekert President of the JLS, "This is a wonderful day for the Junior League of Summit. Not only are we celebrating the impact the Thrift Shop has made in Summit and the surrounding communities over the past 75 years, but we have a fantastic assortment of toys and gifts at our Holiday Boutique. Given the continued difficult economic times, we are especially pleased to be able to offer new, quality merchandise at thrift store prices. The proceeds from this event, and all Shop revenue, go right back to our community in the form of projects, scholarships and grants." MC, Visa, and debit cards are accepted.

The JLS is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. The JLS' current focus is "Connecting and Protecting Generation Txt'. The JLS will perform outreach and build programs specifically targeted to educate the community, parents, kids and educators about safe and inventive uses of technology. For more information or to make a donation for this event, contact the Junior League at 908-273-7349 or visit [www.jlsummit.org](http://www.jlsummit.org).
